Alan Moore  
OFNHP

Subject: Nursing bargaining units sick leave cap

Dear Alan:

As you are aware, the OFNHP-Registered Nursing contract allows bargaining unit members to accrue sick leave hours up to a maximum of 720. Currently this is the only group that has a maximum cap for sick leave accrual.

By signature below, both parties agree to remove the accrual cap, for sick leave hours, for bargaining unit members covered under the Registered Nurse contract.
