

Steward Stat!

Calling All Stewards!

Please join us on Thursday, December 16 at 7pm at the union office for an all-steward meeting.

Share your observations and experiences with your fellow stewards and union leadership, so we can all learn from and try to help each other.

There's a lot going on right now in all bargaining units and across all worksites -- and you're there on the front lines. We want to be sure we know what you need and help you get it!

Thursday, December 16, 7pm

OFNHP - 2045 SE Ankeny St., Portland
Light refreshments will be served.

RSVP to itsmyunion@ofnhp.org or 503.657.9974.

Director of AFT Healthcare Visits OFNHP

Mary MacDonald, the Director of AFT Healthcare, visited OFNHP for our November membership meeting. She was scheduled to speak with our members about the AFT Administratorship and subsequent letters and communications regarding its status.

We had to cancel the meeting because of the winter weather advisories, but recorded Mary's presentation while she was here and have posted it on our website.
